## Hello!

Thank you - tusen tack for downloading these Halloween printables. My name is Linda Liebrand and I'm a Swedish mum who writes children's books for kids learning Swedish abroad.

I created these pages as a fun way to help our bilingual preschoolers learn Swedish, and I can't wait to hear how you liked it.

## More Books from Linda Liebrand

My story books and activity books all have that unique Swenglish Life difference: All the material is in both Swedish and English so the whole family can learn and have fun together. And best of all - because it's fun, they'll want to learn more!

You can find my books inside my [Swenglish Life Book Club](#) where you can get access to all my bilingual children's books digitally. Many of the books are also available as paperbacks on [Amazon UK](#) and [Amazon USA](#) and other book retailers online.

Ha det gott!  
Linda
