Hejsan!

Hello!

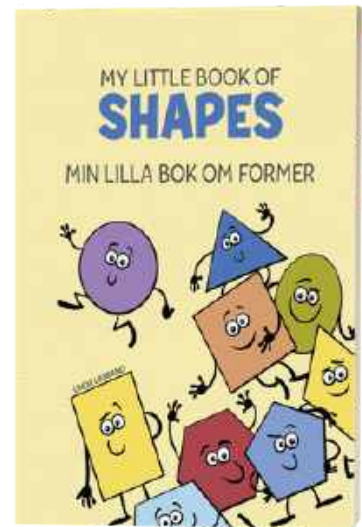

Thank you - tusen tack for downloading Lär dig om former med älgen - learn about shapes with the moose. My name is Linda Liebrand and I'm a Swedish mum who writes children's books for kids learning Swedish abroad.

I created this booklet as a fun way to help our bilingual preschoolers learn Swedish, and I can't wait to hear how you liked it.

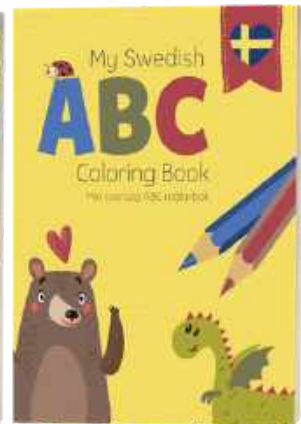

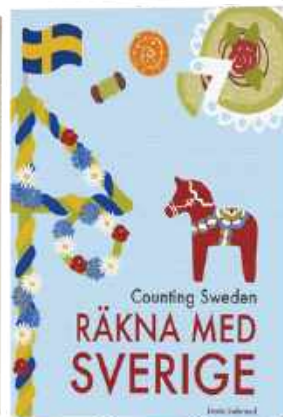

More Books

My story books and activity books all have that unique Swenglish Life difference: All the material is in both Swedish and English so the whole family can learn and have fun together. And best of all - because it's fun, they'll want to learn more!

You can find my books inside my Swenglish Life Book Club where you can subscribe to receive a new bilingual children's book digitally every month. Many of the books are also available as paperbacks on Amazon UK and Amazon USA.

Ha det gott!
Linda
